**National Association Of Government Web Professionals
2019 National Conference #NAGW2019**

Who Should Attend?

The NAGW National Conference focuses on the professional development of government web professionals from all levels of government. Our diverse topics cater to both technical and non-technical audiences including webmasters, programmers, PIOs, designers, managers and CIOs.

Outstanding Value

The conference fee includes:

- Three keynote presentations
- 28 session topic choices
- Networking with peers and presenters
- Select post-conference session videos
- Majority of meals:
 - » Opening Reception Tues evening
 - » Breakfast Wed / Thurs / Fri
 - » Lunch Wed / Thurs
 - » Snacks Wed / Thurs
 - » Pinnacle Awards Dinner / Thurs

- NAGW Nighttime Networking (n³)
- Direct contact with sponsors and their products

The pre-conference fee includes:

- Choice of 1 or 2 four hour workshops
 - » Breakfast included with 1 session
 - » Lunch included with 2 sessions

Relevant Topics

Topics cover a wide range of interests and technologies providing information in all areas of the government web profession including:

- Content Strategy
- Innovative Tools & Technology
- Open Data & Open Government
- Plain Language
- Security
- Social Media
- User Experience & Accessibility

In-Depth Workshops

The NAGW National Conference features half-day workshops on a variety of topics, providing in-depth, hands-on training.

Notable Keynote Speakers

Distinguished past keynote speakers have included Tim O'Reilly, Peter Kageyama, Kristina Halvorson and Eric Meyer.

 NAGW has partnered with the Public Technology Institute (PTI) and the Rutgers University Center for Government Services to offer a nine-month certificate program: the **Certified Government Digital Services Professional (CGDSP)**. This program is about leadership in the field of digital services delivery. For more information: nagw.org/certification
